

# Mud Scrapers

**Reduce seal contamination under severe conditions.**

The mud scraper kit consists of a pair of ready to install scrapers made with a new, smart design and SKF ECOPUR low friction plastic material.

## Benefits

- Cleans dried mud from fork tube
- Increased fork seals life and performance
- Reduced wear
- Operates with long high speed stroke
- Enhanced water and dirt protection
- Easy assembly without fork or wheel removal
- Enhanced performance
